

Cushing® Renaissance Fund Announces Monthly Distribution

Monday, March 2, 2020

Dallas, TX: The Cushing® Renaissance Fund declared a distribution for March 2020 of \$0.1367 per common share. The Fund's distribution will be payable on March 31, 2020 to shareholders of record on March 16, 2020. The ex-date for the Fund's distribution is March 13, 2020.

It is anticipated but not certain that approximately 67% of the Fund's distribution will be treated as a return of capital. The final determination of such amounts will be made and reported to shareholders in early 2021, after the end of the calendar year when the Fund determines its earnings and profits for the year. The final tax status of the distribution may differ substantially from this preliminary information.

The Fund is a non-diversified, closed-end management investment company with an investment objective of seeking a high total return with an emphasis on current income. The Fund is traded on the New York Stock Exchange under the symbol "SZC."
